**Y**OU are invited to share in the benefits of one of the greatest purchases ever made by this or any other dependable store. We say the greatest purchase because it happens in the midst of the current season—a purchase of this kind is quite common in January, but happening now in the month of November when full values are expected by every merchant, makes this an event most remarkable and unexpected.

**250 LADIES HIGHEST GRADE SUITS  
BOUGHT AT ONE-THIRD OFF**

to which we add another 150 of our regular stock. These suits are all marked in original figures, to which we will deduct exactly one-third at the time purchase is made, for example:
